Message

God’s word in our heart helps us resist temptation.

Talk About It

In today’s lesson, Jesus was not immune from the temptations of Satan. Unfortunately, we are “in the same boat”. Temptation in our lives comes from everywhere and it happens to us each day. Satan knows our weaknesses and He tries very hard to tempt you using those weaknesses so that you will turn your back on God. We do however have tools to help us fight those temptations. Through the scripture (Bible) and the word of God that we receive in the divine services, our prayer life with God and our relationship with the Lord Jesus, God helps us to fight off temptation and resist Satan. These things can act as a shield between us and whatever Satan is trying to throw at us. We all need to work at keeping the verses we learn and the Word we hear in services in our hearts so that we can stand strong and resist temptation when it is in front of us. Stay close to God and His word and He will help you. Talk about it.
