### Talk About It

*In today's lesson, we reviewed the life of Daniel and his friends and how God always provided for them. Remind your child that we need to trust in God, even when the circumstances seem impossible in our lives. We need to stay focused on Him at all times.*

*Trusting God can be difficult. It's hard to imagine anyone dangling above a deadly fire, not worried about what would happen next. But the three men were not alone in their circumstance. God was with them. There were four in the fire, not just three. So, if God is with us, is there anything that we should be afraid of? God wants us to keep our focus on Him. Talk about it.*
